

A.A. 2016/2017
2° SEMESTRE (06/03/17 – 16/06/17)
2ND SEMESTER
ORARIO DEFINITIVO
FINAL SCHEDULE

DOCENTE	CORSO	LUNEDI'							MARTEDI'							MERCOLEDI'							GIOVEDI'							VENERDI'										
		08.30	10.00	11.30	13.00	14.30	16.00	17.30	08.30	10.00	11.30	13.00	14.30	16.00	17.30	08.30	10.00	11.30	13.00	14.30	16.00	17.30	08.30	10.00	11.30	13.00	14.30	16.00	17.30	08.30	10.00	11.30	13.00	14.30	16.00	17.30				
PRINETTO	Algoritmi e calcolatori						29B								12	29B											12	LABINF							12	LABINF				
CHIUSANO	Basi di dati (AA-LZ)		29B	29B				29B	29B			LABINF	LABINF																											
REBAUDENGO	Calcolatori elettronici (MA-ZZ)						1B	1B						LABINF												1B	1B	LABINF												
SONZA REORDA	Calcolatori elettronici (AA-LZ)						12	12				LABINF													28B	29B	LABINF													
MONTUSCHI	Computer architecture	LABINF					11T	11T																		5N	5N										5T			
GRECO	Controlli automatici (INF) (MA-ZZ)									1B	1B				LABINF	LABINF																				1B	1B			
CIRQUITELLI	Introduction to Databases Databases							2D	2D								1T	1T					LABINF															LABINF		
NOVARA	Non-linear control Aerospace application	6D	6D																10I	10I			LABINF																	
MALNATI	Applicazioni Internet	2I																	5I	5I																	LABINF	LABINF		
GARZA	BIG data: architectures And data analytics																									12	12			LABINF ACSLAB									12	
SISTO	Distributed programming I		LABINF	LABINF								2T	2T																											
MASALA	Elaborazione e trasmissione di inf. multimediali		ACSLAB	ACSLAB																				2I	2I															
RIVOIRA	Formal languages and compilers																						LABINF																	
TARAGNA	Estimation, Filtering, and System identification						LABINF	LABINF																		2D	2D													
LAMBERTI	Informatica grafica																									ACSLAB	ACSLAB									12D	12D			
MALNATI	Mobile application development																							5I	5I													LABINF	LABINF	
REBAUDENGO	Operating systems							LABINF	11T	11T																														
CABODI	Programmazione di sistema				LABINF	LABINF			4D			LAIB	LAIB																											
MASALA	Programmazione distribuita I																		2I	2I						LABINF	LABINF													
CALIMERA	Synthesis and optimization of digital systems																		5I								2T											LABINF	LABINF	
LAFACE	System and device programming																										2D													
VIOLANTE	Model-based Software design																																						ACSLAB	ACSLAB
MORISIO	Software engineering											LABINF ACSLAB	LABINF ACSLAB
